(Includes Membership)
And BBQ)
- Crew \$15.00**
(BBQ only)
(No launching fees
payable)

CROSSING THE GULF

Owners of boats 5.45 metres or longer which are fully equipped legally, are invited to join the Squadron at a reduced fee, to celebrate 50 years of serving the Boating Public, and to take part in an official Squadron exercise by crossing the Gulf to Edithburgh under escort by Squadron Patrol boats. You will meet people from Edithburgh and other Flotillas, inspect the Radio Room, and after lunch, be escorted back by sea to West Beach .

After the boats are recovered, there will be a BBQ evening meal on the Sundeck and the bar will be open for fun and fellowship.

Just complete the registration form and Statutory Declaration and return the forms to the S.A. Sea Rescue Squadron.

If the weather turns bad, a special contingency plan is in place. In any event, a good day's fun for all.

Please contact the Radio
Base on 8295 5072 for a
Registration Package.
